

BCG Quick Work Fact Sheet

Hand Drawn Artwork

The BCG Hand Drawn Artwork Service provides you with a custom piece of artwork that you can use in your marketing materials so you stand out from your competition. We also designed the price so it's cost-effective for you: it's just \$99.

What We Do

We ask you for your ideas for artwork or for a sketch that you've come up with. Then you'll receive a copy of professional artwork based on those ideas or your sketch in a variety of graphic formats.

How It Works

You send us:

- Your thoughts online, such as e-mail or an instant text message, or send us your sketch either on paper by mail or as a graphic file attached to an e-mail message.
- The location where you want us to send the edited version, such as an e-mail address.
- \$99 payable by check or PayPal.

Then we'll send you a confirmation and estimated completion date for sending the artwork—generally within two business days.

What You Get

You get your professional artwork in JPEG, PNG, TIF, and EPS formats so you can use that artwork as you see fit.
